Re: State v Donald Miller

Iron county case no. 97-CF-60

TO WHOM THIS MAY CONCERN:

I Dennis miller, being first duly sworn and under oath do

Hereby swear that the following is true and accurate and within my own personal first hand knowledge, that on December 5 1997

I was seated in the iron county circuit court before the jury was brought back in. where I heard judge Patrick j madden and the iron county district attorney martin j lipkse engage in the following conversation in the courtroom.

Judge: Mr. Lipske, I would like to see this rape kit, that you're so eager to throw away.

Da: I can not

Judge: why not

Da: I disposed of that your honor

Judge; what! After I told you 2 times not to dispose of that kit.

Da: yes

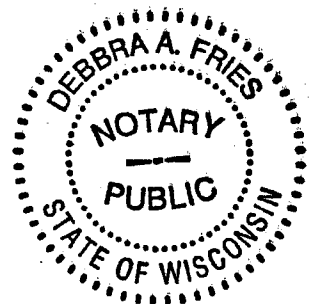

There was no further conversation concerning that matter

The above is true and accurate depiction of facts within my own personal knowledge.
